CPA FUNDING OPPORTUNITY FOR PROGRAMS RELATED TO HOUSING UNITS

**CPA Background**

In November 2012, Somerville voters overwhelmingly approved a 1.5% Community Preservation Act (CPA) surcharge on net property taxes. The Somerville Community Preservation Committee voted to empower the Somerville Affordable Housing Trust Fund, which has 25 years of experience preserving, creating, and supporting affordable housing in Somerville, to serve as the housing arm of the Committee. Beginning in fiscal year 2015, the Trust has been administering CPA funds designated for community housing purposes.

**Programs and CPA Eligibility**

This funding opportunity is designated for programs that either create affordable housing units or provide rental assistance or other financial assistance to income eligible households for the purpose of making housing affordable.

CPA funds can serve individuals and households up to 100% AMI.

-*Acquire* - obtain property interest by gift, purchase, devise, grant, rental, rental purchase, lease or otherwise. Eminent domain takings only as provided by G.L. c.44B.

-*Creation*- to bring into being, cause to exist.

- *Preservation*- protect personal or real property from injury, harm or destruction.

- *Support*- provide grants, loans, rental assistance, security deposits, interest-rate write downs or other forms of assistance directly to individuals and families eligible for community housing or to an entity that owns, operates or manages such housing for the purpose of making housing affordable.

*-Rehabilitation and Restoration-* if acquired or created with CPA funds. Capital improvements to comply with federal, state or local building or access codes or federal standards for rehabilitation of historic purposes.

### **Criteria and Priorities**

In addition to meeting the proper AMI level and project use, the following priorities apply:

- preserve or increase the supply of affordable housing in Somerville
- help low -to -moderate households gain access to or retain housing

The following criteria apply:

- measurable impact
- applicants have a demonstrated capacity to carry out the program for which they seek funding
- ability to continue a program beyond the funding period
- applications from a non-profit preferable. If two non-profits propose similar programs, Trustees will analyze the need within the community (is the need great enough to support the work of two agencies) and preference will be given to agencies based in Somerville.
